*"This little world of ours wherein we live
Holds now the richest joys which life can
give."*

Yes, our little world at Charles L. Coon, though it be small, holds many charms for us. We have reaped honors brought to us by students, teachers, publications, extra-curricular activities. All have added variety to our way of life. We have taken part in school, county, town, and state contests, and we have learned what it is to be a part of the things around us. But aside from this we realize that our way of life is made up of small things. Books to be studied . . . knowledge to be pursued . . . people to be trusted . . . friends to be loved . . . simple joys to be appreciated . . . companions to share sympathy . . . spirits to be humble . . . hearts to be lifted up in faith . . . and visions to be caught. And to the remaining students there will always be the opportunities to further the way of life that has been ours—that way of life that symbolizes

Charles L. Coon High School.

ADMINISTRATION

BOARD OF TRUSTEES

The tireless efforts of our distinguished Board of Trustees, portrayed on this page, have begun to bear visible fruits of progress in the shape of better housing facilities for the youth of Wilson. Because of their perseverance and deep desires for the best opportunities for the young people of our community, they have never ceased soliciting good will and cooperation in launching a four-project school building program to be completed in the next few years. The citizens of Wilson gave their approval by voting sufficient bonds, and due to the combined efforts of the Trustee-leadership and the "John Q. Public," the next year's senior class will be able to graduate from the massive and beautiful new Ralph L. Fike Senior High School, named in honor of Dr. Fike, present chairman of the Board of Trustees, who has given more than twenty years of his thought, concern, time, and love in the cause of education for the children of Wilson.

P R I N C I P A L

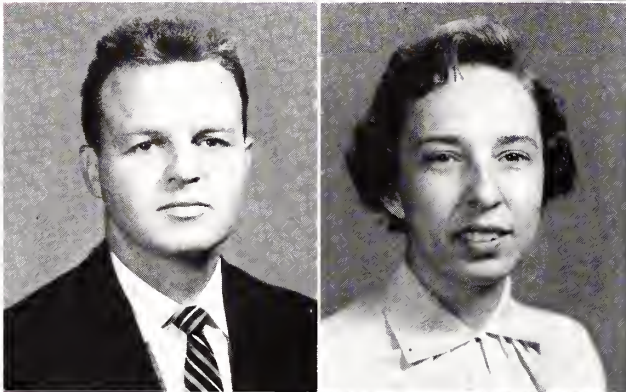

To be able to capture the spirit of the man would be very difficult indeed! Not often does one encounter a single personality that embodies as many of the best traits of character as does our principal, Mr. George S. Willard. A salesman, a lawyer, a policeman, a sports writer, an erstwhile irate parent, a teacher, a student, a maid, or a janitor comes from his office with the same pleasant glow and warmth of feeling; for inside they have talked to a person who easily, apparently, has put himself in their places, has understood, and has treated them as they would wish to be treated.

This is our principal! We recognize him as our friend, for not only does he understand, but he helps us with our problems. Through his own exemplary life he inspires us to be better people. He shows us a way of life that is good.

1958 Stunt Night King H. Taylor and Queen S. Wainwright reign.

THIS IS OUR WAY

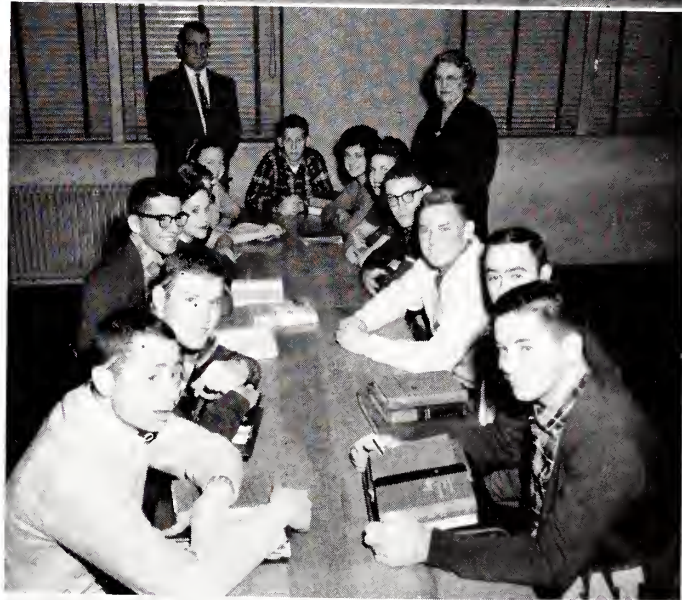

Happily J. Bradshaw, B. Gray and S. Paxton, Stunt Night chairmen, make plans.

J. Bradshaw seems proud that Duke is represented at College Day.

Selecting Stunt Night Co-Chairmen is one of many tasks of the Ways and Means Committee.

Mrs. Ethel Crawley and Miss Lela Aycock help the Senior Committee plan Career Day.

JUNIORS WORK AND PLAY

Junior girls—M. L. Deans, V. Webb, D. A. Barron, B. White, C. Meadows, Y. Boyette—return from the fair with smiles and "the goods."

Junior photographer, always polite and obliging, J. Roberson, shows up anytime to take a picture for the Cocoon or the Radiogram.

Junior Tag Day! Mrs. Flora Hanchrow, Junior Adviser, passes out tags for sale to J. B. Ellis, G. Bradley, L. Poythress, M. Hayes, and P. Elmore.

In the top two pictures the juniors produce an eye-catching float for the Homecoming Day Parade.

Theme writing is an important phase of English III. Here Miss Lela Aycock checks the outlines of B. Harvey, F. Daino, and A. Benton, while J. Boyette revises hers.

Junior Class Rings! D. Webb, L. Mercer, G. Lamm, G. Pike, and P. Winstead admire the class ring of P. Carter, senior, as they line up to place an order.

COCOON

NINETEEN FIFTY-EIGHT

EDITORIAL STAFF

At the first of the year, we met as a group of young, green, but eager journalists, knowing nothing about putting a yearbook together. But through the conscientious guidance and leadership of one who has inspired many yearbooks, Miss Lela Aycock, our adviser, we assumed the task of publishing the 1958 Cocoon.

Our first impression of the shelf—the Cocoon workshop—brought us conflicting emotions. Some experienced feelings of exuberance, for the shelf represented the Cocoon itself; others, feelings of depression, for its mite-size and isolation made us feel alone, neglected, and unappreciated.

Then began the long, tedious hours of work. Autumn went by like a breeze; winter breathed icy air upon us, and spring came roaring in, still finding us taking pictures, compiling copy, identifying groups—all working madly towards our goal.

As time progressed, we found ourselves on the brink of frustration. There were moments when we had mental blocks, our nerves became frayed, and even the presence of each other became almost unbearable.

Our unsophisticated theme offered problems. It was no easy job to choose the right and only pictures that would best portray "Our Way of Life." Equally hard was it to write fitting copy. We had not realized just what constituted "Our Way of Life." But as our thinking progressed, the theme found a place in our hearts where we nurtured it into reality.

And then, with our deadline only two weeks away, we moved into Miss Aycock's tiny apartment and with its new occupants it seemed to "burst at the seams," but the atmosphere was more pleasant, and we found the work reaching a higher pitch, and then gradually drawing to a close. We realized with pangs of regret that we would miss the close fellowship, the fun, the teasing, the cokes and cookies, and the serious moments of Miss Aycock's little sermons. But it was over!

Where are the pencils? Pictures? Gone! Yes; but in their place, a book which we hope will keep fresh, for each of you, memories to cherish and a vivid picture of our Charles L. Coon High School Way of Life.

BUSINESS STAFF

We, members of the Business Staff of the COCOON, were also somewhat ignorant as to what our position required. And too, like the Editorial Staff members, we had able leadership. Miss Virginia Knowles launched preparations for the selling of advertisements; students began to pay Mrs. Cora Morrison for subscriptions, and the drive was on!

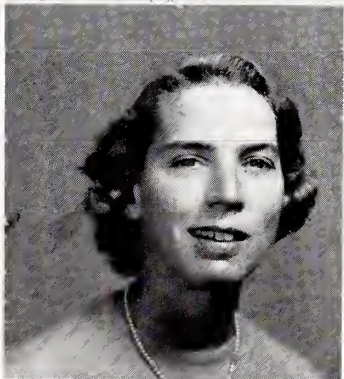

Our first hurdle to overleap was the lining-up of the local Wilson firms who would likely buy advertisements. This was accomplished by first checking last year's ads, and second, by listing the new enterprises in our city. This having been done, we next visited in teams of two, firms on our lists. To some merchants we managed to sell ads, and to others we left our good will. We remembered that we were not only selling advertisements, but that we were selling our school to local businessmen. Knowing this, we tried to carry our school spirit with us into each establishment and sell the school, as well as an ad. Thus, we can easily give some of the credit for "sales" to the reputation of our school, as depicted in our yearbook, the COCOON.

As the winter months quickly drew to a close, we began to see the pages designed for ads fill. Then, suddenly, all the advertisements were sold; there was no more work to be done! But we were not entirely happy. Certainly, it was good to know that the yearbook would now be fully financed, but then we disliked the idea that we were through with a job that brought each of us close together for a common purpose.

As we turned in our copy, it was our last concern that we had truthfully shown "Our Way of Life" to the "Business World" of Wilson while we sought help in supporting this year's COCOON.

STUDENT COUNCIL

McARTHUR
WAINWRIGHT

TAYLOR
JORDAN

Homeroom representation is the cornerstone of our Student Council. This year, the council, led by Ronnie McArthur, president; Henry Taylor, vice-president; Susan Wainwright, secretary; and Bill Jordan, treasurer, and working with Mr. Willard, principal, and Mr. Roscoe A. Eller, adviser, has had a successful year.

The Student Council promotes loyalty to our Alma Mater, especially during the sports seasons. Homecoming game offered the council many opportunities for selling tags, making posters, decorating floats for the parade, choosing sponsors, planning after-game dances, and participating in the general excitement. The traditional Sadie Hawkins Dance and the Sock Hop provided Friday night fun for hundreds. After Christmas, "Howdy Week" created good fellowship. "Clean-Up" came next on the agenda, and everyone helped to make the school shine for Parents' "Back-to-School" Night.

This year the council made a large football scoreboard and sponsored a successful Student-Faculty basketball game. Saving Lucky Stars for acquiring a TV set for the school became another effort. Courtesy cards, gifts of fruits and flowers showed sick and bereaved students and teachers the sympathy of the members. Committees furnished surprise fruit baskets to visiting athletic teams, and everywhere the council exuded good spirit.

Late in the spring, the council managed the campaign and election of new officers and climaxed the year's activities with a banquet honoring the newly elected officers. The 1957-58 officers proudly reviewed the progress of the year, noting better-than-ever financial assets. They donated to the band fund and to the permanent Student Council fund. Surely this year's council has lived up to its obligations of setting standards for a good way of life.

THE RADIOGRAM

Our student body eagerly anticipates the monthly issue of the *Radiogram*, published by the journalism class. Taken for credit, this course has, among its responsibilities, the gathering and presenting of school news, in order to publish it in a newspaper worthy of a first place rating by the Columbia Scholastic Press Association.

A familiar voice is that of Jimmy Boswell as he promotes sales over the Public Address system. With crashing sounds, arousing music, and admirable speeches, he convinces the students of the *Radiogram's* superiority. With fantastic posters and flaunting banners, the staff members encourage the students to the extent that the journalism class has near sellouts at every issue.

Through the steady industry of the business manager, Madeline Heeden, and her business staff, every prospective advertiser is visited. H. E. Barkley, editor-in-chief, does meticulous work as he strives for originality, doles out assignments, arranges for pictures, and acts on the good judgment of the adviser, Mrs. Barbara Flowers.

With the cooperation of the other staff members, the *Radiogram* has been able to meet all its deadlines, and at the same time present a lively story of this year's way of life.

Madeline Heeden, business manager, Mrs. Barbara Flowers, adviser, and H. E. Barkley, editor, resolve to make the next issue even better.

On the day before the papers come out, L. Stark, M. Barnes, R. Parker, A. Clark, D. Smith, and M. Horne can be found folding the pages.

KEY

CLUB

Service! The sole objective of the Key Club is service to the school and community.

For the past twelve years since its organization, our local club has aimed its efforts toward building better citizens by issuing positions of leadership and responsibility to its members. Along with the hard work, the Key Clubbers also add a bit of socializing to their roll call of events. Entertaining the teachers and school leaders in the fall and playing host to the parents in the spring, offer the club members the opportunity for fellowship.

Not only does each boy receive a strong sense of satisfaction, but he also knows he has done something worthwhile toward the strengthening of the community when he actively supports the Key Club in its service projects. Two such outstanding endeavours, which have become traditional, are the toy drive and the "White Christmas" contribution program. The toys are collected for the underprivileged children and food is brought for needy families.

Other examples of Key Club service are found in the sending of Christmas cards to the faculty and soliciting of funds for the March of Dimes. The Key Club co-sponsored with the Keyette Club a nutrition project which was planned to help young people realize the importance of well-balanced meals instead of a "jitterbug diet." Although the students laughed at the appellation "Our Starving Teenagers," they became health-conscious, and the project was successful.

From our own Key Club comes the Lieutenant Governor of the Carolinas District for this year, Mark Hudson. At the District Convention in Charleston, South Carolina, our school walked away with second place in achievement and first place in talent, thus giving Jimmy Boswell "a crack" at national competition in the "Windy City."

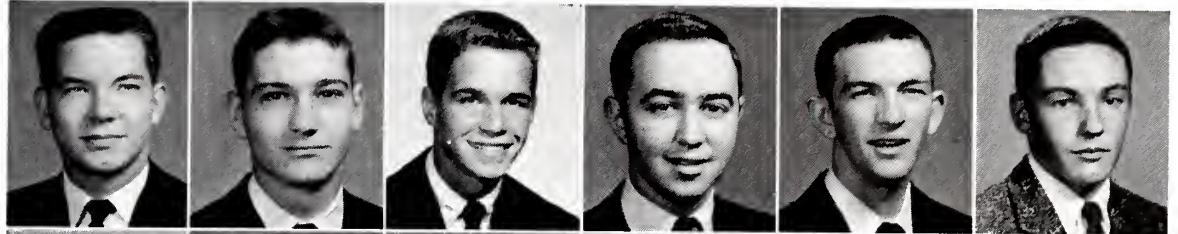

Mr. George S. Willard, as adviser, is constantly ready to assist wherever needed. The club's officers are: president, Jimps Bradshaw; vice-president, Tom Graves; and secretary-treasurer, Henry Taylor.

Key Clubber D. Moore collects for March of Dimes from L. Pappas and E. Woodard. J. Tillery turns to greet friends.

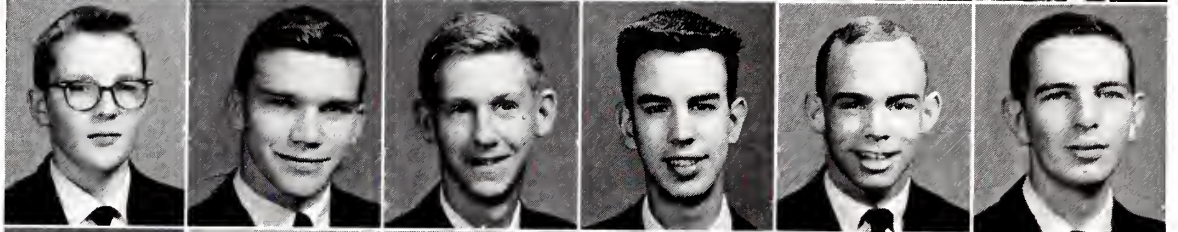

School leaders, teachers, and Key Club members join in fun and fellowship at an annual afternoon tea.

Keyettes C. Pappas, E. Anderson, M. Horne, and S. Johnston "make no bones" about eating Southern fried chicken at Keyette Banquet.

A banquet jointly sponsored by Keys and Keyettes is held in the fall to honor new members.

KEYETTE CLUB

The Keyette Club, sister organization of the Key Club, has worked industriously to further carry out the motto "Service," common to both clubs. Under the able leadership of Frances Evett, president; Vicki Stott, vice-president; Mary Lou Aycock, secretary-treasurer; and Mr. George S. Willard, adviser, the club entered enthusiastically into a series of projects to carry out its purpose.

The election of new members, followed by the election of the board of directors, was the first thing in order. Serving as Ribbon Girls for the Kiwanis Horse Show, assisting with collecting for the March of Dimes, making cookies for the Williams Rest Home, serving as pages for the P. T. A. "Back-to-School" night, and backing financially and personally a Christmas opportunity sum up various services rendered to the community by the Keyettes. Members assisted the Key Club with several projects such as managing the concession stand for football games, collecting magazines for the T. B. Sanatorium, and publicizing the nutrition project, based on research work concerning "Our Starving Teenagers." In addition to this, they sponsored other projects to earn money, such as selling "Cyclone" pennants.

As a fund-raising project, the Keyettes sell "Cyclone" pennants to help support their favorite charity.

The year was not all work, though. Along with the work came social activities also. In the fall of the year, the Keyette Club held a joint banquet with the Key Club honoring the new members, and in the spring a Mother-Daughter Banquet. On Valentine's Day they gave Mr. Willard, "the biggest heart at Charles L. Coon," a huge heart-shaped box of candy to show him their "hearts were in the right place."

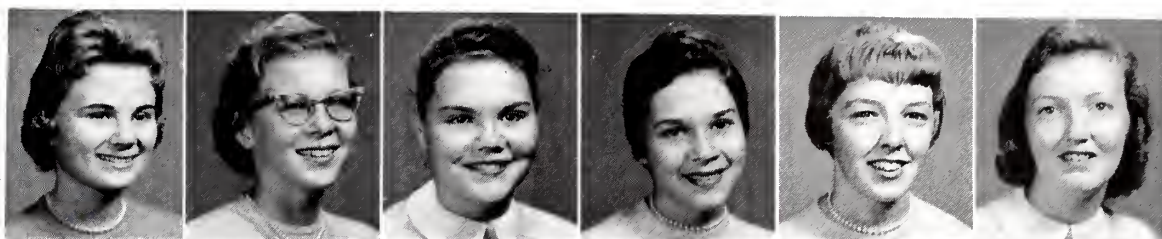

All along the Keyettes endeavored to show their loyalty and school spirit wherever they went. They supported Stunt Night by sponsoring a stunt and helping to boost it and to sell tickets. Late in the spring at the close of the season for Girls' Basketball, they sponsored the Championship Tournament. On Honor Day, as usual, they presented awards to the varsity cheerleaders, the majorettes, and the girls' championship basketball team.

For spiritual uplift and moral enlightenment, the Keyettes decided to visit in a body the various churches, as the Key Clubbers, and they began this practice in the spring. They closed the year's activities with plans for even better work next year.

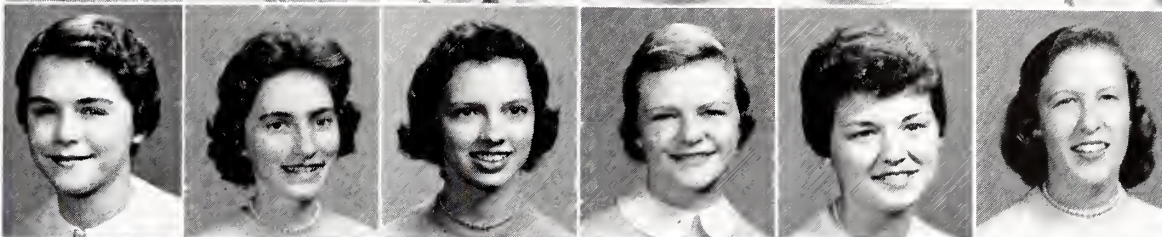

S. Baltzegar, R. Parker, and J. Hicks help boost the Nutrition program which the Keyettes jointly sponsored with the Key Club.

B A N D

"Look! The Charles L. Coon Band is coming." A rustle of comments runs through the crowd as our Varsity Band passes in review down Nash Street. The glory of the red, white, blue, and gold of the flags waving in the breeze sends a surge of patriotism through our hearts and a chill down our spines. Led by drum major Joe Strickland, splendid in his gold and white uniform, and followed by ten, beautiful, high-stepping majorettes, the band marches on.

One of the largest in the state, the band is a voluntary organization which daily increases the musical knowledge of our students, and improves their ability to work with, and understand other people. The sixth period every day finds this large group meeting together in the bandroom to combine the harmony of life and music. The band, numbering well over one hundred fifty, is ably led by Roscoe Eller, assisted by James Harris, a newcomer this year.

The activities of the band vary with many invitations

and obligations. They participate in numerous parades at home and afar, appear on programs for various clubs, and faithfully support the student body and the football teams at pep rallies and football games. Many a hot, gruelling hour has been spent on the practice field behind the school whipping half-time shows into shape, which pay for their trouble in the exciting splendor of half-time glory.

In the spring, the annual concert is anticipated with great enthusiasm as the people of Wilson enjoy two hours of the best in musical literature.

At the end of the school year, the band proclaims the familiar strains of "Pomp and Circumstance" on the final honor day, as the seniors march out for the last time as members of the student body. Every music student sees the school year end sadly, for then the band members separate, each to go his own way. Some will return the next year; some will return no more.

C H O I R

"There's music in the sighing of a reed,
 There's music in the gushing of a rill,
 There's music in all things if men had ears,
 The earth is but an echo of the spheres."

Music is the soul of man in sound. It touches all phases of life—work, play, love, happiness, sadness, and sorrow.

The music of the Charles L. Coon Choir, under the direction of Mr. James V. Cobb, with the assistance of Mr. James Harris, touches our lives, both in the school and community.

At all seasons and events the choir is able to contribute its part in voices whose love for song can be felt by any audience.

From the joy evident in a hymn of praise, to the sadness prevailing in "Graduation Days," we depend upon our choir to express our emotions in song. The whimsical sentimentality of "Shenandoah" fills the audience with

reminscences. "I'll walk with God . . . He'll forsake me never . . ." induces the listener to a reverent quiet as Faith, a way of life held by many, is voiced. The merry lightness of "Louisiana Hayride" introduces a lighter mood, as does the lilting rhythm of "Copenhagen."

This group, composed of approximately sixty members, is generous with its talent and time as it makes appearances at P. T. A. meetings, Stunt Night, and Christmas programs. Whether coming before the public at a chapel program, local civic club, or filling the tranquility of an Easter sunrise with joyful voices, our choir truly echoes the music "of the spheres."

MUSICAL INTERLUDES

L. Murray and J. Robson attempt a difficult passage as Mr. James Harris, assistant band director, stands by ready to help.

Mr. James V. Cobb, choir director, and Mr. Harris follow the music as F. Gill and P. Watson analyze one of the choir's many numbers.

Mr. Roscoe Eller, band director, scrutinizes the music with an expert eye as B. Stokes and R. Fulghum endeavor to play correctly.

Because of the increasing size of the Varsity Band, each year there is a greater lack of uniforms. This group sacrificed theirs to other members while they participated in other activities such as football and cheerleading.

DIVERSIFIED OCCUPATIONS

Under the guidance of Mr. Robert W. Hyde, co-ordinator for the past twelve years in our school, the Diversified Occupations Class launches its annual program at the beginning of each school year. This class, commonly identified by its initials "D. O.," extends to senior boys who do not plan to go to college or attend a business school, the opportunity for training in a skilled trade at the same time that they are pursuing a prescribed course of study at school in order to graduate.

School mornings find these industrious students engaged in regular classes such as English IV, science, economics, or geography; plus "book learning" that relates to their personally selected jobs. Some of the boys choose meat-cutting, refrigeration, projectionist and movie work, mechanics, dairy work, printing, mercantile work and such jobs as the community affords for them. After lunch the students go to their respective places of business, and there they are under the close supervision of their respective employers. Not only do they gain the knowledge and training of the job, but they receive wages as well as scholastic credit.

The "D. O. boys" take an active part in whatever activity of the school is popular at the moment, and they can be depended upon to help repair furniture, put up the Christmas tree, move furniture, put up the telephones at the stadium for football games, do all kinds of odd jobs, and make themselves generally useful around the school.

Although the "D. O. boys" are definitely a part of the school, they have their own organization, and they carry out projects of their own, such as helping the sick and needy at special holiday times, and having banquets and parties of their own.

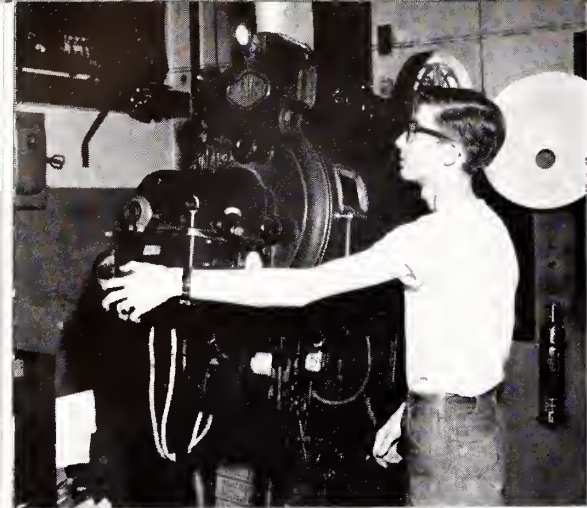

After having received the training in the Diversified Occupations Class, the students are better prepared to choose and go into the careers which appeal to them.

MEMBERS OF THE CLASS: *First row:* T. Barron, R. Winstead, B. Evans, Mr. Robert Hyde, K. Mitchell, J. Poythress, H. Whitley. *Second row:* R. Bridgers, E. Barnes, N. Barnes, L. Whitley, H. Whitley, B. Davis, J. Hinson, J. Richardson, R. Bridgers, J. Jernigan.

C. Watson enjoys running the projector at the Carolina Theater.

Officers of the D. O. Class are: *First row:* T. Barron, Radiogram Reporter; K. Mitchell, Treasurer; L. Whitley, President; J. Richardson, Vice-President. *Second row:* N. Barnes, Student Council Representative; Mr. Robert Hyde, Adviser.

FUTURE BUSINESS LEADERS OF AMERICA

In March of last year, business students of C. L. C. H. S. invited representatives from Kinston to help them organize a Future Business Leaders of America Club. A delegation came who assisted in installing the officers and presenting the National Charter, thus making the Wilson Chapter a fully pledged charter member of the national organization of the F. B. L. A. Numerous meetings were held in order to interpret the purpose of the club, and several projects proved worthwhile. Former graduates of the school were interviewed concerning their jobs; the club sponsored trips to various business offices; the members sponsored a float for the Shrine Parade, and they enjoyed a banquet at the end of the year.

In September, at a supper meeting at Parker's, 1957-58 officers installed were: Jo-Ann Ellis, president; Judy Joyner, vice-president; Marilyn Mills, secretary; Faye Ward, treasurer; and Sandra DuBois, historian. At this time, new members were initiated and visitors were recognized. Plans were made early for activities to be carried on during the year. Various social meetings were held at intervals, the highlight of which was the well-attended Valentine Dance.

Money-making projects were the Household Notions Sale in November, and a cake sale in March, the funds from which the club paid partial expenses of the delegates to the State Convention in Asheville, North Carolina.

Some of the purposes of the F. B. L. A. are to develop competent, aggressive, business leadership, to strengthen self-confidence of the members, to provide organized recreational activities, to improve scholarship, to promote school loyalty, to develop character, to train for good citizenship, and to foster patriotism.

This club has proved to be an asset to the spirit of the school and to our American way of life.

FUTURE TEACHERS OF AMERICA

... "that I may be worthy of the high office of teacher." To the members of the Future Teachers of America Club this last line of their pledge means their goal in life. At Charles L. Coon High School about fifty girls meet once a month with Mrs. Ethel Crawley, adviser, to investigate further their chosen profession.

The Future Teachers of America is a national organization and the local chapter has a charter which attaches them to the national group. The purpose of this organization is to interest young men and women in becoming teachers.

One of the main services the club renders to the school is the ordering and filing of college catalogues, to be used by students who have to make the important decision of choosing the right college.

During the year guest speakers come from the nearby colleges to enlighten and inspire the members. The club enjoys a combination of fun and work. They never tire of making preparations for their annual banquet which is the highlight of the year's activities. The members leave with a spirit of anticipation of the time when they will be teachers themselves and capable of pointing out a good way of life, as their teachers have done for them.

Mrs. Ethel Crawley shows the charter to officers of the club: S. McLean, *Vice-President*; R. Parker, *Secretary*; S. Wainwright, *Treasurer*; E. Batts, *Program Chairman*; and M. Clark, *President*.

J. Barnes, B. Baltzegar, M. L. Aycock, R. Moss, L. Hanchrow, C. Quick, C. Pappas, F. Sullivan, S. Evans, E. King, and S. Dubois examine the newly received college catalogues.

MONOGRAM CLUB

The height of honor to be bestowed upon the athletes of our school, with the exception of receiving sweaters in their senior year, is the acceptance into the Monogram Club. Membership is automatic upon the receiving of a letter in a varsity sport. The golden W is awarded a boy only after he has successfully participated in the athletic program of this school in the sport of his choice. Usually, this is a process of Junior High, Junior Varsity, and finally, Varsity experience that leads the nervous young man to the stage on Honor Day to receive his cherished reward.

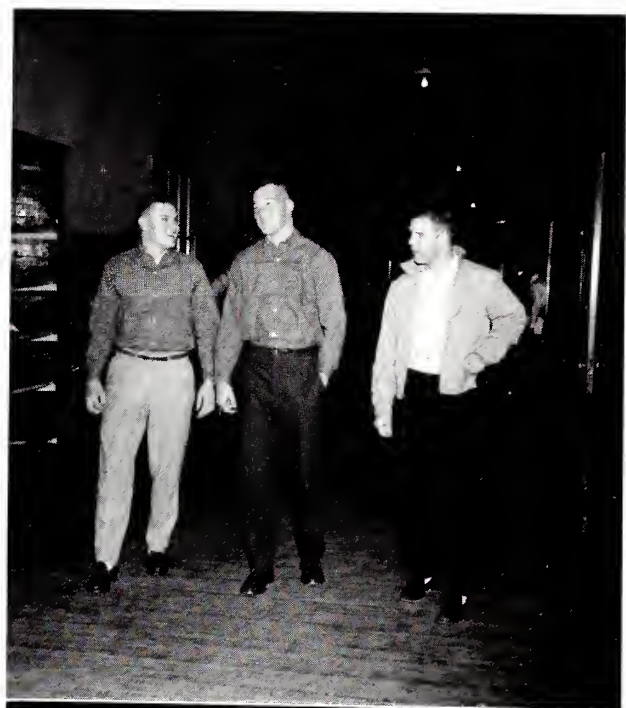

For the completion of each year in a sport prior to and after the lettering of an athlete, he is presented a certificate and not a duplicate letter, thereby raising the prestige of the "one" golden W which he receives.

In his senior year each Monogram Club member is presented a traditional blue tailor-made sweater by the school for participation in a major sport.

This is not only an honor club, but a service club. Monogram Club members serve as monitors of each home basketball game, and always influence sportsmanship by their gentlemanly behavior.

H. Taylor, B. McMillan, and J. Tillery brought recognition to the Monogram Club by being named to the Associated Press All-State Grid Team.

Who have the loudest voices in school? Our cheerleaders do, of course. Elected last spring, these peppy girls worked hard during the summer in eager anticipation of the first football game. With the appearance of "Freda" and "Mitzi," our dachshund mascots, at the first pep rally, excitement ran at an all-time high. Everyone was ready for a great football season. On Fridays, their signs begging the team to "Shake the Quakes" or "Hack the Pampack" hung everywhere. The cheerleaders were

full of surprises! No one could be sure where the cheerleaders would appear next at pep rallies. Sitting on ladders, standing on chairs, running down the aisles, or riding on floats, their contagious spirit spread throughout the school and community, and attendance at games this year was record-breaking. Surely the splendid performance of our team, and the spirit of our school was continuously boosted by the loyal wearers of the gold and blue.

THE '57 CYCLONES

Co-Captains
HENRY TAYLOR
JACK TILLERY

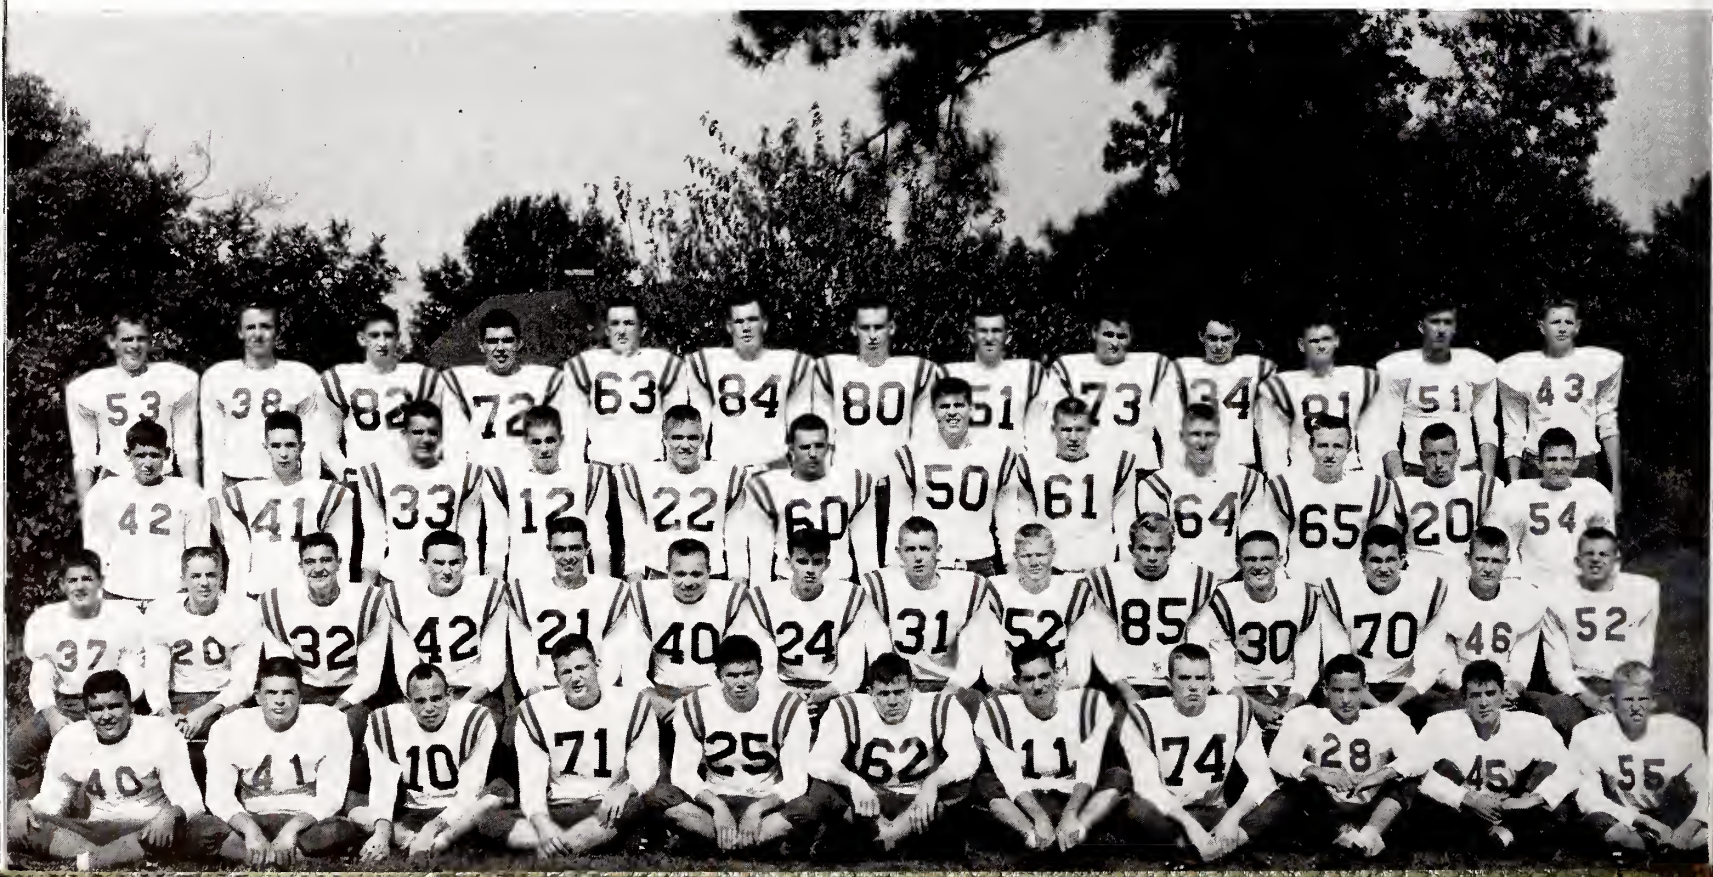

The 1957 Cyc football season got underway with a surge of enthusiasm when the boys first donned their practice uniforms on August 15 to begin what everyone hoped would be the best season in years. The spirit of former alumni was traditionally upheld as not only the players turned out for practice, but a large group of spectators as well.

On the night of September 6, the Cyclones rolled to a non-conference victory (19-0) over Washington. It was in this, the first game of the season, that the Cyclones exercised their potent attack, grinding out yardage through the center of the line. This, plus their excellent defense, proved to be the main factor by which the team became known throughout the state. The second opponent was Goldsboro. The offensive team, slowed down a bit, was able to collect only one touchdown, but this, plus a touchback provided by the alert defense, proved to be enough for a final score of 8-0 and another Cyc victory.

The Cys next invaded Raleigh, a highly respected foe, on September 29. Early in the first quarter the Caps scored the first touchdown against the Cyc defense. The Cys then came bounding back to score two touchdowns before the end of the first half. Two more touchdowns were easily added in the next half and the Cys rode to their first victory over the Caps in seven years, 25-6.

First row: W. Harrison, B. Williams, W. Brown, B. Sims, J. Alford, D. Crabtree, A. W. Faris, T. Beaman, B. Perry, B. Forbes, K. D. Kennedy. *Second row:* J. Lampros, H. Rogers, R. Baker, H. Page, T. The next game on Wilson's schedule was a non-conference tilt with Kinston. Wilson's outstanding defense again came through with flying colors as Wilson won the game 25-0.

Wilson's first defeat was handed them by the Durham Bulldogs. The Bulldogs, fighting desperately to keep in the conference running, completely outscrapped the Cyc eleven. Scoring two touchdowns in the first half, they added another in the second. Wilson's lone score came in the second quarter on a 30 yard drive. The game ended 19-7 and threw the conference into a mad scramble.

On October 11, the team journeyed to New Bern. After their recent defeat, they showed some signs of improvement, but could not get up much steam. They scored only twice from 34 and 89 yards out. The game ended 13-0 and Wilson was again on the winning road.

The Cys once again showed their championship qualities in their battle with Fayetteville. The Fayetteville Bulldogs, thus far unbeaten, put up keen opposition, but the Wilson eleven were clicking and grounded out three touchdowns. The first came in the first half, and the latter two were made possible by Fayetteville fumbles in the second. The Bulldogs were able to score only once. The game ended 20-7.

SENIOR CYCS

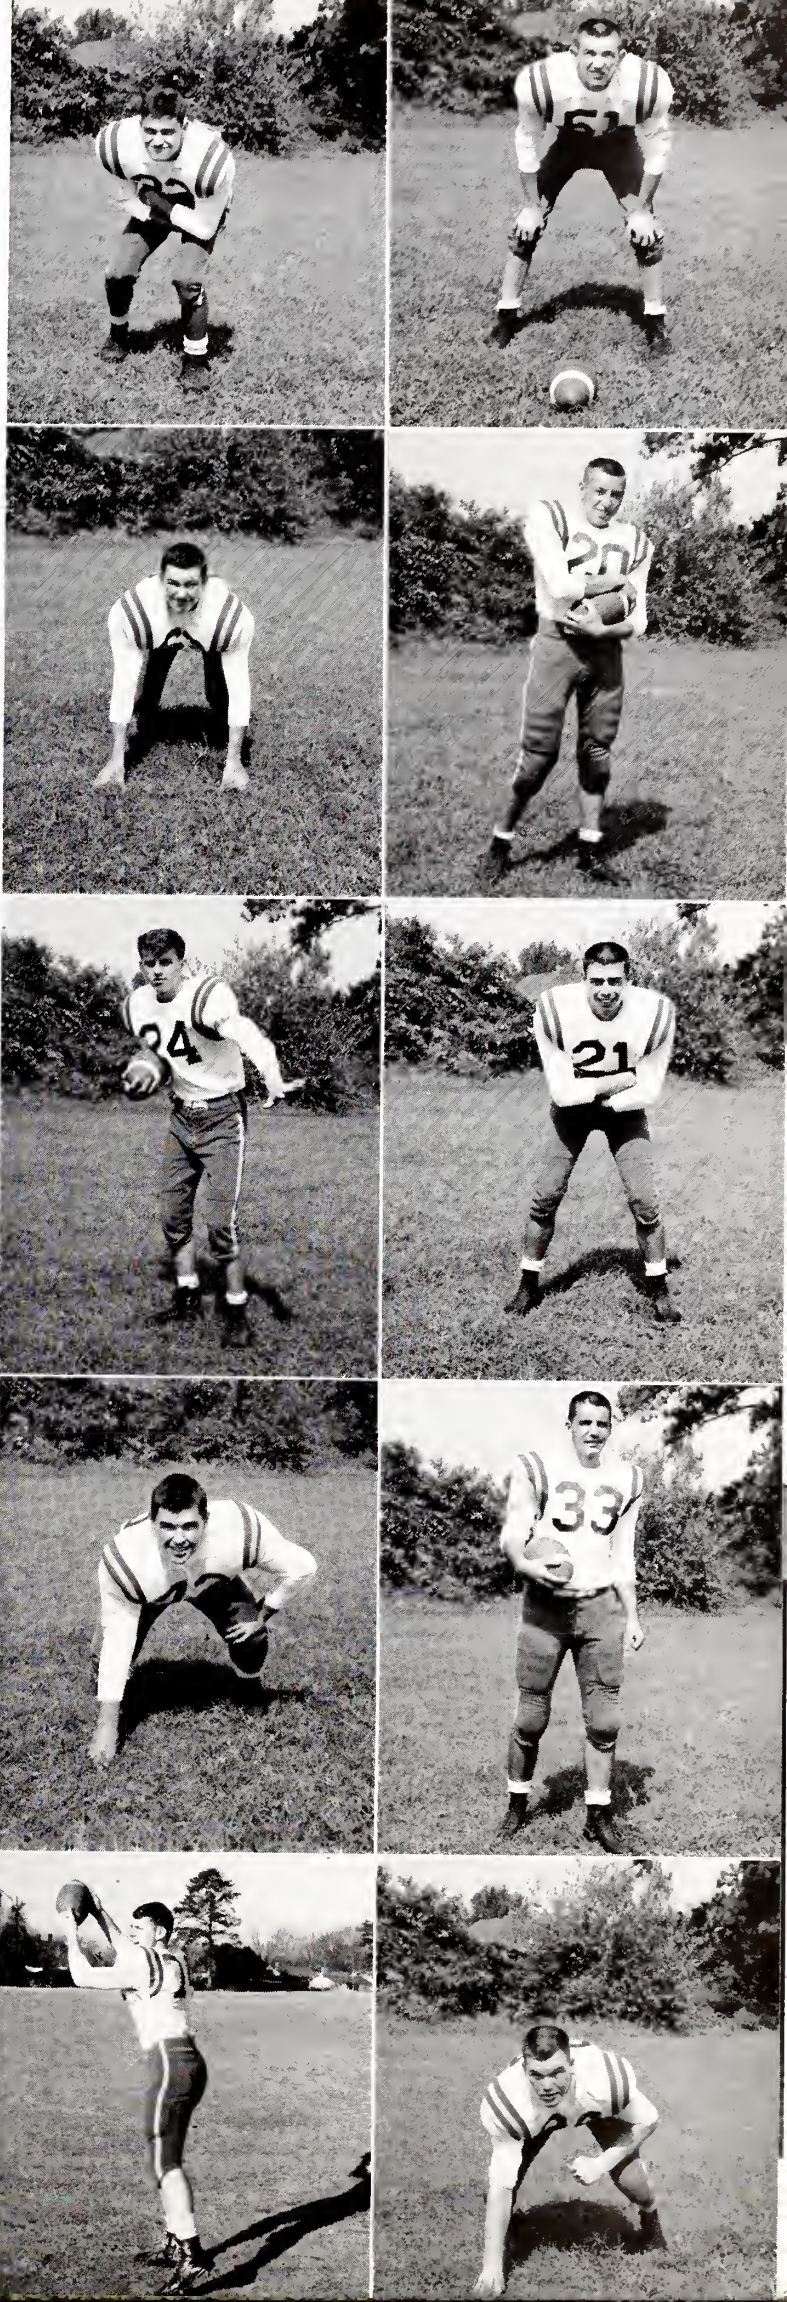

Henry Taylor is the most honored Cyc griddy in recent years. He has been named to almost every honor team possible for a prep-footballer. Among his honors are: North Carolina Shrine Bowl team, Greensboro top twenty-two, Eastern All-Star team and the All-State team. Adding a fitting climax to his honors was being named to the Wigwam Wisemen's Prep All-America team.

Wilson received their second defeat at the hands of the Wilmington Wildeats on October 25. Wilmington went ahead early in the game on a punt return and the extra point. Wilson came charging back with a 59-yard drive for 6 points but failed to make the conversion. In the second quarter on a short pass and a point, Wilmington widened their lead to 14-6. Again Wilson came roaring back with a scoring drive. The first half ended 14-13. The third quarter went scoreless. In the final quarter the Wildeats' passing attack again proved effective as they once more scored. They added the extra point and the score moved to 21-13. With the time running out, Wilson received the kick and moved it down the field for another score 20-21.

Wilson played their last game of the season with Rocky Mount. The Blackbirds battled desperately, but the Cyes superior strength was enough for an easy victory. The Cyes scored three touchdowns in the first half and added two more in the second. The game ended 34-0, for a fine finish to a brilliant season.

The Junior Varsity team, having one of their worst seasons in years, ended with a record of one win, five losses, and one tie. Finding it hard to get off to a good start, they lost their first three games. The first loss of the season was to Raleigh by a score of 13-6. In the second game of the season the Juclones were handed a defeat at the hands of Durham by a score of 6-0. The next game was played with the J. V. team from Fayetteville, who handed the Juclones a setback by the score of 12-7. In a return match with Durham, the Juclones

held them to seven points while getting seven themselves. In the next game the tide turned as the Juclones registered their only win of the season. They did this by defeating Goldsboro 7-0. The Juclones' next game was a defeat handed them by Raleigh with a score of 19-12. The final game of the season was with Goldsboro. The Junior Varsity lost this game by a score of 14-0. Thus the Juclones ended an unsuccessful season, looking forward to a better one next year.

Correct form is an important part of every sport. Here Coach Bill Weir shows the correct offensive stance to a group of young footballers.

The Whirlwinds started off the season poorly, losing their first game to Rocky Mount by a score of 19-0, on September 12. After this poor start they came storming back to sweep all their remaining opponents. In their second game on September 19 with Raleigh, the Whirlwinds impressively outscored them 34-0. Next, the Whirlies played host to Fayetteville at Fleming Stadium. They came out victorious 20-12. The Junior High's next opposition came from Daniels Junior High of Raleigh on October 11. They seemed to be in fine shape as they routed Daniels 12-6 to hand them their first defeat in

history. The Whirlwinds' next game was with Goldsboro. They were again victorious and Goldsboro became their fourth straight win. The game ended with the score 21-0. The Whirlies rounded out their season on October 30. They completely outclassed Greenville, winning 41-0. This game gave the Whirlwinds a record of five wins against one defeat, for a very successful season. This Junior High team was made up of about thirty-five boys, each doing his part to make the season successful.

FOOTBALL AWARDS

W. Dees is one of many to receive a certificate and congratulations from Coach Walter Rogers. The Varsity ended the season with an 8-2 record.

Mr. Willard, after expressing regret over losing Mr. Clint Faris, loyal sports fan and radio announcer for C. L. C. H. S. for the past eighteen years, received from Mr. Dewanner Stallings a trophy for his noisy support of the football team.

With the words "a champion among a championship team," Dewanner Stallings presented H. Taylor with the trophy for most valuable player. He was chosen by his teammates.

BOYS' VARSITY BASKETBALL

E. Gould of Wilson and J. Whitfield of Durham go up-up.

As the football fever wore off and the chilly winds of winter began to blow, the Cyclone hardwooders started to whip into shape. With only seven regular practices and much inexperience on the squad, the boys and Coach Paul Marklin, the Cyclone mentor, looked warily toward the coming season.

With the loss of center Benton McMillan, the only returning letterman on the squad, as the result of a knee injury, only three seniors remained on the team. Ronnie McArthur and Sid Denny, although on the squad the preceding year, did not have much experience, and joined by Mark Hudson rounded out the only seniors. Junior guards Walt Brown and A. W. Faris, along with junior transfer Don Ellis from Goldsboro, gave the Cys strength as well as a look toward the future. Juniors Eddie Gould, Eddie Robinson, Byron Ingram, and sophomore Paul Pridgen rounded out the ten, short, scrappy Cyclones with none standing over six feet, nor having any knowledge of competition in the rugged Eastern AAA Conference.

Wilson then started its annual swing of the powerful Northeastern AA Conference in its opener with New Bern. The Cys' inexperience showed as they bowed 59-52. Later that week the wearers of the blue and gold brought home a 59-49 decision over the rangy Kinston Red Devils. Roanoke Rapids invaded Wilson and carried away a 55-50 verdict, and the same week Wilson traveled to the new Greenville gym, only

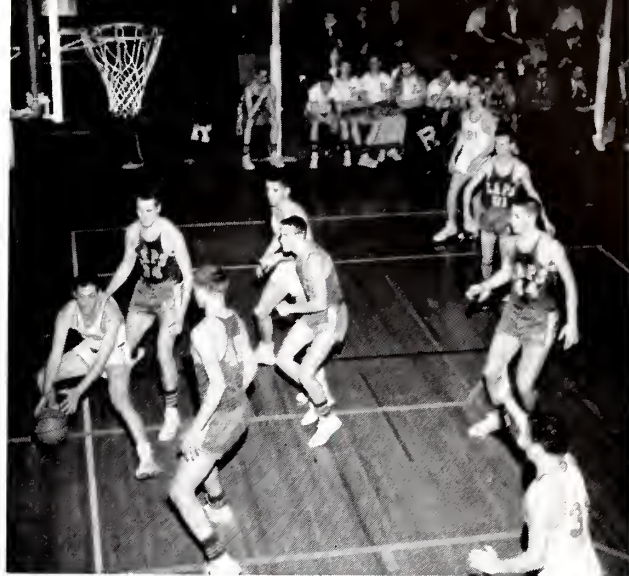

to lose 66-51 to a fine Phantom five. Then Wilson prepared for their two-game home stand against Kinston and Greenville before the Christmas vacation. Kinston was victor 62-56, and Greenville edged by with a 65-64 heartbreaker to send Wilson to their Christmas turkey with a record of one win and five losses in non-conference play. Ronnie McArthur led the Cys in scoring with a 10.7 average to this point, as all the boys sharpened up for the conference.

After Christmas, the Cys were host to the Wildcats of Wilmington to officially open the AAA games. The tall Port-city boys led by their All-state center, Roman Gabriel, won 86-50. The Cyclones then hit the road for two games with Durham and Goldsboro. Durham, sparked by 6'7" center John Key, shot ahead in the first half and coasted to a 65-50 victory. In a very bitter game at Goldsboro the young Earthquakes ran to a 75-56 decision. Then came the only victory in conference play for the Cys as they beat Fayetteville 52-50 at the A. C. College Gym in an overtime battle. Don Ellis came within one point of the school record with a 31 point production; he tied the game with a desperation shot, and Henry Rogers won the game with a driving layup with only 8 seconds left. Rocky Mount and Haywood Evans, the leading circuit scorer, handed Wilson a 58-46 defeat, and Wilson lost at Raleigh 89-56 to round out the first half of circuit play. In the remaining six matches, the Cyclones were not able

to pull out a victory, although they fought gallantly and almost pulled the upset of the year in losing to Durham by only two points in a double overtime affair. Wilmington won 56-41, Durham 43-41, Goldsboro 55-54, Fayetteville 68-52, Rocky Mount 65-57, and Raleigh 94-71. Wilson wound up last in the conference with a 1-10 record and was led in scoring by A. W. Faris with an 11.8 average.

The Cys lost two close games in overtimes, and another by one point in the regulation game, showing that a few breaks could have produced a winning season for the hustling shorties.

Coach Paul Marklin, assisted by Gilbert Ferrell, did a fine job with the boys. Fighting against great odds, and at the same time gaining the respect of everyone, the whole team exhibited sportsmanship and that "fighting spirit" typical of the Cyclones.

A. W. Faris seems to be boxed in under his own goal by the rangy Raleigh Caps.

JR. VARSITY BASKETBALL

The Junior Varsity basketball team ended a fairly successful season with a record of nine wins and nine losses. They started with a win over New Bern by a score of 52-51, although they lost their next two games. The losses were to Kinston by a score of 52-32, and to Roanoke Rapids by a score of 53-45. Bouncing back from their two straight losses, the Juclones conquered their next three foes, beating Greenville 47-23, Kinston 55-40, and Greenville again 59-23. Not being able to keep up their winning streak, the Jucs lost their next game to Wilmington by a score of 66-53. Following suit in the next game the Junior Varsity lost to Goldsboro by a score of 59-55. Wilson led until the fourth quarter when Goldsboro rallied to take the lead. Getting back on their feet, the Juclones won over their next three opponents. These games were won by scores of 66-45, 58-40, and 39-36, defeating Durham, Fayetteville, and Rocky Mount, in that order. The J. V.'s were no match for Raleigh, as the Raleigh team defeated them 66-39. Wilmington handed Wilson their second straight loss by a score of 68-42. Breaking their losing streak, the Jucs defeated both Durham and Goldsboro by scores of 50-47 and 64-51. Not being able to launch a successful winning streak all season, the Junior Varsity next bowed to Fayetteville by a score of 54-49. Wilson lost their last two games of the season to Rocky Mount and Raleigh. The Baby Blackbirds posted a 68-42 win over the Jucs, and the Baby Caps defeated them 65-42. With this game the Junior Varsity completed their 1958 schedule. With this fine team Charles L. Coon basketball fans certainly have something to look forward to.

JUNIOR HIGH TEAMS

The eighth grade basketball team climaxed their season with a record of six wins and three defeats. Sparked by the remarkable scoring of G. Wainwright, the eighth grade five are brightening up the hopes of the future basketball titles for Wilson High. Defeating Kinston by a score of 46-32, the Whirlwinds ventured to Greenville. After being involved in a "touch and go battle," the sub-freshman team was edged out of an important victory by one point. Their spirits low, but their confidence high, the Whirlies set forth to face the Raleigh Baby Caps. Now for the second time the eighth graders went down in defeat. Twenty-one days later, on February 12, this situation reoccurred. Wilson was overpowered by the Caps to be defeated by seven points. To end this season the Whirlwinds defeated Rock Ridge 47-33. They also edged out Goldsboro 59-52, and Rocky Mount 59-34.

The ninth graders compiled an excellent record of twelve wins and two losses. Playing like professional basketballers, the ninth grade Whirlwinds overpowered Goldsboro, Durham, Rock Ridge, Fayetteville, Rocky Mount, Kinston, and Greenville. J. Talton, W. Boykin, J. Bunn, D. Morris, P. Barnes, C. Barnes, and other members of the freshman team are expected to supply the Cyclones with winning material in the future. Wilson's only defeat came from the Raleigh Caps. One contest was played on January 24 and the other on February 14. As individuals, or a team, the Whirlwinds played outstanding basketball.

"Guard her, don't let her get the ball, oh no! There it goes—right in the basket! Faye did it again!" These words, accompanied by shrilling voices, are familiar to those who have played that important game.

After mid-term exams, girls in grades 9-12 begin talking about the forthcoming Intramural Basketball season, and when Mr. Willard finally announces that a meeting is to be held for girls interested in this program, excited girls flock to Miss Knowles' room to form their teams for the year.

Under the coaching skill of Miss Virginia Knowles, these teams play some fine ball. Regardless of the scratches, bruises, sore muscles, and stiff backs resulting from being out of practice—the majority usually are—each player enjoys the game, win or lose. This basketball program captures the attention of almost all the school, because it is known that each girl is out to win, and a good hard fight is going to take place.

On afternoons during the week, usually Tuesday or Friday, when most of the students have left school, feminine basketball enthusiasts can be seen heading toward the gym in costumes consisting of outfits from Daddy's shirts, old, faded, blue jeans, and sweat shirts, to the latest in bermudas and "slim jims!"

Each girl hopes that her team will be the best, for at the end of the season, late in the spring, after every team has played each other, championship games for the top four are sponsored by the Keyette Club. The winner of these games is named the championship team, and its members are presented silver basketballs. This climaxes a season of Girls' Intramural Basketball for the year.

SKETBALL

B A S E B A L L

The 1958 Cyclone baseball season got under way February 17 with about seventy boys reporting for opening practice. Among them were seven returning lettermen. They were catcher, Bud Batten; first baseman, Claude Harris; left fielder, Ronnie McArthur; right fielder, Henry Taylor; third baseman, A. W. Faris; and pitchers, Harvey Page and Don Ellis. All except Faris and Ellis were seniors.

Cold weather during the first few weeks hindered practice, but harmed the team little. Only the pitchers were slowed down by it.

The success of the team depended largely on the strength up the middle. Here three new recruits were working out. At shortstop was Carlton Barnes, a freshman, backed by junior Byron Ingram. Holding down second was sophomore Bootsie Morris, understudied by sophomore Henry Rogers. Starting in center field was Frankie Elliott, a sophomore, with junior Eddie Gould next in line.

The other positions were filled by lettermen. Helping Harris at first base was sophomore Paul Pridgen. Batten was backed by junior Durwood Parker. Helping with the duties in the outfield were sophomores Jack Hanch-

row and Eddie Fulford. Sharing the main pitching duties with left-hander Ellis and Page, a right-hander, was junior right-hander Alan Overton. Finishing out the mound staff were two junior lefties, Barney Harrell and Bobby Joyner; Carlton Hicks, a junior, and senior Thomas Williamson.

Offensively the Cyclones showed up strong. Both Harris and Faris were good sluggers; Taylor was also good at the plate. McArthur and Batten, light hitters last year, were connecting more often this season.

Wilson opened the season by journeying to Roanoke Rapids on March 14. The Cyclones won an impressive victory 14-1. They outhit the Yellow Jackets 12-5 and drew ten walks to Roanoke Rapids four. They scored all their runs in two innings, eight in the fifth and six in the seventh.

Harris led the batsmen with three hits for five attempts; McArthur collected two for three. Each of the other players, except the pitchers Page and Overton, connected for one safety.

With this victory under their belts the Cyclones anticipated a highly successful season.
